## FIRE & RESCUE SERVICES

GO ALL OUT FOR YOUR MISSION

In addition to high-quality day shift wear for fire brigades, we also offer modern protective clothing for technical assistance and area fire fighting. They meet the highest functional demands and also impres with a great look, useful features and outstanding wearing comfort. So much in fact, that you'll be happy to keep them on even after you've gone off duty.

O<sub>R LAD</sub>NÉS

Like all Flammgard® products, this day service clothing is made of a hard-wearing and high-quality fabric. Firefighters wear it when they are not on fire duty – e.g. for equipment maintenance, training courses or fire safety watches. It is comfortable like leisure wear, looks presentable and also protects in case of fire.

Elasticated hem

2TO WEAR

HB-WILDFIRE 2.0 was developed together with a German fire brigade especially for the increasing demands on the emergency services. A safe and comfortable outfit that protects against flames and relieves physical strain, e.g. thanks to inner lining with hydrophilic equipment as well as light and durable outer material that withstands many washes.
