

# PRODUCT NEWS

In our endeavours to be able to offer the right solutions for the increasing demands of the market all the time, we are continually developing our products. We are now offering the following collections with a number of improvements. Moreover we have improved our successful HB-4welders® collection. We have chosen to use a new high-performance material from Schümer for our **HB-4welders® 2.0** exclusively in the future.

## Product news about PROBAN®, SECAN® and VINEX® SUPERIOR PROTECTION, BETTER CARE
